

# Slip, Slop, Slap & Wrap

The black rings around  
a meercat's eyes are  
sunglasses.

What can you do to be  
safe in the Sun?

# Wrap on Sunglasses !

Grabbing a pair of sunglasses  
is more than cool, it's also the  
best way to protect your eyes  
from harmful UV rays.

Look for a pair that blocks 99-  
100% of UVA and UVB rays.
