

## Collapseable Tabletop Frame#2

### Materials needed:

- 2- 3/4" dia PVC pipe cut 2" shorter than the length of your table
- 2 3/4" dia PVC pipe 10" in length for sides
- 2- 3/4" dia PVC pipe 3-way side outlets for bottom
- 2- 3/4" dia PVC pipe elbows for bottom
- 2- spring clamps large enough to fit over table top
- 10-12 hooks for hanging posters (we use shower curtain hooks)
- 5-6 small plastic spring clamps to secure posters (optional)
- 2- elastic bungee cords if using table banners or for extra stability
- 1- table cover (optional)

Note: This display can be single or double sided.
